UPDATE ON LATE MR. REGINALD JOHN ROY FUSSEY'S FUND OF £259,503

FURTHER TO OUR LAST NEWSLETTER THAT WAS RELEASED IN MAY, 2025 DETAILING THE HISTORICAL MATTERS INVOLVING WITH THE JOHN FUSSY FUND:

Mr. Bernie Sureshparan, an old boy of St John's College, kindly agreed to act as the liaison between CTF and the then President Mr. Tharmalingam Chrishanthan to bring a final compromised agreement. Mr Sureshparan's role was to ensure clear and unbiased communication, facilitating an amicable resolution between the then CTF President and current CTF.

Steps Towards a Final Compromised Agreement Since the 2025 AGM

First Meeting (30/06/2025): CTF outlined the underlying issues to Mr. Sureshparan and requested that he convey CTF's position to the then President, including the request to transfer the full fund amount from the Eagle Care Trust (ECT) which is a private company account to St John's College.

Second Meeting (08/07/2025): Continued discussions with Mr. Bernie.

Third Meeting: In order to avoid unnecessary legal costs for both parties and to resolve this matter amicably, CTF presented a compromise agreement to Mr. Tharmalingam Chrishanthan and all other parties involved through Mr Bernie Sureshparan. The agreement clearly stated that no legal action would be taken against any party, provided that the funds in question were transferred to St. John's College without further delay. A deadline of 15th August, 2025 was set for compliance. However, once again, Mr. Tharmalingam Chrishanthan has failed to respond or agree to any form of compromise.

CTF's POSITION:

CTF's only objective is to ensure that the funds are restored to St John's College, as originally intended. CTF has no intention of taking legal action against anyone if the funds are voluntarily returned to the St John's College.

Unfortunately, despite multiple efforts, the funds have been diverted to Eagle Care Trust (ECT), a private company, and have not been returned.

PROPOSED IMMEDIATE ACTIONS

Following these meetings, CTF has identified the below as its priority:

- Initiate legal proceedings to regain the funds that should be handed over to SJC from the ECT funds.

IMPORTANT DOCUMENTS FOR MEMBERS:

In 2025, the CTF received two significant letters (Appendix 2 & 3) regarding the legacy funds bequeathed to St John's College. CTF wishes to share the following critical documents with the CSJPPA and CTF member community for transparency and information:

- Executors' Letter to the then President (Appendix 1)
- Former then President's reply to the executors (Appendix 2) - The then President gave his assurance to the will executors that 100% of the funds would be transferred to SJC.
- Executors' latest Letter, confirming the award of £259,503 was unconditional (Appendix - 3) - Confirmation letter from the executors that the funds were exclusively for SJC and there were no restrictions on the type of projects the fund could support.
- CGC Principal's letter to CSJPPA (Appendix - 4)

These documents have been shared with certain SJC office bearers.

FINAL NOTES AND APPEAL

FINAL NOTES:

This inquiry is not a personal attack against the former CTF President. The accountability demand come from SJC and CSJPPA UK. It is about facts, proof, and justice — not emotion or sympathy.

Without concrete evidence, the former CTF President risks breaching trust, and his supporters may be complicit if they defend him without demanding transparency.

The current CTF has consistently sought answers from the former President. Since the then president has refused to respond. Therefore, we have no choice but to proceed with legal proceedings to ensure justice is served.

APPEAL:

PAST PUPILS' ASSOCIATIONS WORLDWIDE EXIST TO SERVE THE SCHOOLS WE LOVE—NOT TO EXPLOIT THEM. TO MAINTAIN INTEGRITY AND ACCOUNTABILITY, THIS MATTER MUST BE BROUGHT TO A RIGHTFUL CLOSE.

LET US WORK TOGETHER TO ENSURE THAT THE PRINCIPLES OF TRUST, TRANSPARENCY, AND STEWARDSHIP REMAIN THE FOUNDATION OF OUR SERVICE TO ST JOHN'S COLLEGE & CHUNDIKULI GIRLS' COLLEGE

Re: Reginald John Roy Fussey deceased

Having reviewed the probate file, we are able to confirm that the executors understood, at the time of making the distribution, that The Chundikuli Trust Fund would transfer the full amount to St John's College as per the written undertaking.

Furthermore, the school has full discretion as to how funds are spent for the betterment of the pupils at the school.

We can confirm that no specific instructions or conditions were issued by our firm regarding the application or onward transfer of the funds.

We trust that our confirmation of the above suffices and meets your charity's requirements.
